Seventhth enhanced surveillance report

On 23 September 2020, the European Commission published the seventh enhanced surveillance report for Greece. The report assesses the implementation of Greece's commitments to the Eurogroup regarding reform completion up to mid-2020.

This report is based on the findings of a mission held remotely 13-14 July conducted by the Commission in liaison with the European Central Bank. The European Stability Mechanism participated in the context of its Early Warning System and in line with the Memorandum of Understanding of 27 April 2018 on working relations between the European Commission and European Stability Mechanism.
