The eighth High-level Regional Financing Arrangements (RFAs) Dialogue was held on 10 October 2023 in Marrakesh. Amidst a precarious global economic recovery, the discussion focused on how crisis fighters can contribute to macroeconomic and financial stability in a more shock-prone world and the role of IMF-RFA collaboration therein. Following the devastating earthquake in Morocco on 8 September, participants expressed their solidarity with the Moroccan authorities and people extending their deepest sympathies to all those affected.
