Listen to ESM Secretary General Nicola Giammarioli share in an exciting EU Economy and Finance 15-minute interview the ins and outs of the ESM - European Stability Mechanism.

If you've ever wondered what the ESM is all about, this episode is for you!

Nicola, who is responsible for Corporate Governance and Internal Policies, Policy Strategy and Institutional Relations and Communications at the ESM, sat down with EU Finance Podcast host Aidas Palubinskas earlier this summer to be interviewed on the EU Finance Podcast - The future of finance podcast.

The future of finance podcast tackles topics related to banks, capital markets, digital or sustainable finance, anti-money laundering, etc. with the aim to explain them in as simply as possible.
