On 1 January 2026, Bulgaria adopted the euro, becoming the 21st EU member state to adopt the Euro, a clear sign of the euro area's ongoing appeal. On 29 June 2026, Bulgaria is set to become the 21st Member of the ESM - reinforcing our shared commitment to cooperation across Europe. At the [#ESMBoG2026](#) Annual Meeting, we had the pleasure of welcoming the Minister of Finance of Bulgaria, Galab Donev, and marking this significant moment together. We look forward to this next chapter.

Welcome, Bulgaria!
