

**Questions & Answers #4 – PQD Website Development, Maintenance and Support
CM/04/WS/MC/18**

Q1	Can Candidates involve subcontractors in the provision of the services and rely on their capacity to meet the selection criteria?
A1	Candidates may use subcontractors in the provision of the services. Subcontractors may be used to meet the selection criteria in the PQD. For the avoidance of doubt, the Candidate, regardless of its composition (alone, as part of a consortium or with subcontractors), must collectively meet the selection criteria.
Q2	A request was submitted to extend the deadline for receipt of applications.
A2	The ESM is extending the deadline for receipt of applications until 12 November 2018.
