

**Questions & Answers #2 – PQD Website Development, Maintenance and Support
CM/04/WS/MC/18**

IMPORTANT: change to the selection criteria

The ESM has removed the following requirements under Annex 2, section 2.3 Authorisation and suitability to carry out the relevant professional activity:

2	Pass/Fail	Confirm the Candidate is listed on the Drupal marketplace at drupal.org.	Attestation and as evidence, provide: link to page at drupal.org
3	Pass/Fail	Confirm the Candidate supports more than one project at drupal.org.	Attestation and as evidence, provide: link to page at drupal.org
4	Pass/Fail	Confirm the Candidate has at least one "issue credits" in the last 90 days at drupal.org.	Attestation and as evidence, provide: link to page at drupal.org

The amended PQD is available on the ESM website. Changes are in red.

Q1	Can you clarify whether the Cover Certification Form should be provided by each partner in the consortium or just by the leader?
A1	The lead entity should fill out the Cover Certification form. Please refer to page 8 of the PQD for further information (Reliance on Third Party).
Q2	Can you confirm that Declarations in points 1.1 and 1.2 of Annex 2 shall be provided by each partner in the consortium?
A2	The lead entity should fill out the Annexes. Please refer to page 8 of the PQD for further information (Reliance on Third Party).
Q3	With regard to the documentation to be submitted concerning the description of the consortium (description, power of attorney, the written undertaking by partners, etc.): <ul style="list-style-type: none"> ○ Is there any template or guideline to follow, or can we use any format? ○ Should such documentation be included in Section 4.-Attachments of the application infrastructure? Otherwise, in which Section?
A3	There is no imposed template or guideline, we just need to receive the information requested. Yes please include these documents in Section 4.
