Follow-up to Board discussion

Board of Directors

Meeting of 13 July 2018

On the disbursement under the final tranche of financial assistance to the Hellenic Republic

The Board of Directors met in Brussels to consider the disbursement of the final tranche under of financial assistance to Greece amounting to €15 billion for debt servicing needs and the build-up of a cash buffer. The Board of Directors in principle endorsed the disbursement of the final tranche subject to completion of national procedures. Once the outstanding national procedure is concluded, the disbursement will be executed well before the end of the ESM programme.
