- (2) **THE REPUBLIC OF CYPRUS**, represented by the Minister of Finance, Mr. Harris Georgiades, as the beneficiary member state (the "**Beneficiary Member State**"); and
- (3) **CENTRAL BANK OF CYPRUS**, represented by the Governor of Central Bank of Cyprus, Prof. Panicos O. Demetriades, (the "**Central Bank**");

herein jointly referred to as the "**Parties**" and each of them a "**Party**".

PREAMBLE

WHEREAS

- (A) ESM was established by the Treaty Establishing the European Stability Mechanism entered into between the euro area Member States (the "**ESM Treaty**") for the purpose of mobilising funding and providing stability support for the benefit of ESM members which are experiencing, or are threatened by, severe financial problems, if indispensable to safeguard the financial stability of the euro area as a whole and of its member states.
- (B) ESM may grant financial assistance under financial assistance facility agreements by way of loan disbursements under precautionary conditioned credit lines or enhanced conditions credit lines, loans to ESM members under macro-economic adjustment programmes, facilities to finance the recapitalisation of financial institutions in an ESM member state, facilities for the purchases of bonds in the primary or secondary markets, all subject to strict conditionality appropriate to the financial instrument(s) chosen (each such loan or disbursement under such a financial assistance facility agreement being a "**Financial Assistance**").
- (C) ESM shall finance the making of Financial Assistance by issuing or entering into bonds, notes, commercial paper, debt securities or other financing arrangements ("**Funding Instruments**") in order to fund Financial Assistance on a pooled basis or on a dedicated matched-funding basis or out of the Liquidity Buffer (as defined in the General Terms), as appropriate. The Funding Instruments shall be issued or entered into either on a stand-alone basis or pursuant to one or more debt issuance programmes (each an "**ESM Debt Issuance Programme**") in accordance with the ESM Borrowing Guidelines (as defined in the General Terms).
- (D) The Beneficiary Member State addressed a request for stability support to the President of the Eurogroup on 25 June 2012. In its statement of 27 June 2012, the Eurogroup stated that the financial assistance to Cyprus would be provided by the EFSF or the ESM.

- (E) The Beneficiary Member State has addressed a similar request for financial assistance to the International Monetary Fund in accordance with Recital (8) of the ESM Treaty. The definitive Aggregate Financial Assistance Amount and Aggregate Loan Facility Amount to be made available by ESM to the Beneficiary Member State shall be determined in light of the amount of financial assistance to be provided by the International Monetary Fund and shall be set out in a written notice from ESM to the Beneficiary Member State and the Central Bank and counter-signed by and on behalf of the Beneficiary Member State and the Central Bank.
- (F) The European Commission, in liaison with the ECB, assessed (i) the existence of a risk of financial stability of the euro area as a whole or of its member states (unless ECB has already submitted an analysis under Article 18(2) of the ESM Treaty), (ii) whether the public debt of the Beneficiary Member State was sustainable and (iii) the actual or potential financing needs of the Beneficiary Member State, and on the basis of such assessment the Board of Governors decided in principle to grant stability support to the Beneficiary Member State in the form of a financial assistance facility.
- (G) A Memorandum of Understanding was entered into between the European Commission (on behalf of the ESM and with the approval of its Board of Governors) and the Beneficiary Member State. The financial assistance to be provided to the Beneficiary Member State under this Agreement, including the Facility Specific Terms (as defined below) shall be dependent upon compliance by the Beneficiary Member State with the measures set out in the Memorandum of Understanding.
- (H) The Board of Governors has adopted the proposal of the Managing Director for a financial assistance facility agreement, including the financial terms and conditions and the choice of instruments, and the Board of Directors (as defined in the General Terms) of the ESM has approved this Agreement.
- (I) The release of Financial Assistance under this Agreement (other than the release of the first Tranche of Financial Assistance under this Agreement which has already been approved by the Board of Directors), including the Facility (as defined below), shall, unless otherwise specified, be conditional upon the Board of Directors deciding, on the basis of reports from the European Commission (in liaison with the ECB) in accordance with Article 13(7) of the ESM Treaty, that the Beneficiary Member State has complied with the conditionality attached to this Agreement, including compliance with the measures set out in the Memorandum of Understanding.
- (J) It is acknowledged and agreed that the Central Bank is a party to this Agreement for the purpose of, inter alia, receiving disbursements on behalf of the Beneficiary Member State.
- (K) Appropriate measures related to the prevention of, and the fight against, fraud, corruption and other irregularities affecting any Financial Assistance shall be provided for and implemented by the authorities of the Beneficiary Member State.
