EFSF FRAMEWORK AGREEMENT (the "Agreement")

is made by and between:

- (A) Kingdom of Belgium, Federal Republic of Germany, Republic of Estonia, Ireland, Hellenic Republic, Kingdom of Spain, French Republic, Italian Republic, Republic of Cyprus, Grand Duchy of Luxembourg, Republic of Malta, Kingdom of the Netherlands, Republic of Austria, Portuguese Republic, Republic of Slovenia, Slovak Republic, and Republic of Finland (the "**euro-area Member States**" or "**EFSF Shareholders**"); and
- (B) European Financial Stability Facility ("**EFSF**"), a *société anonyme* incorporated in Luxembourg, with its registered office at 43, avenue John F. Kennedy, L-1855 Luxembourg (R.C.S. Luxembourg B153.414) (the euro-area Member States and EFSF referred to hereafter as the "**Parties**").

PREAMBLE

Whereas:

- (1) On 9 May 2010 a comprehensive package of measures has been decided including (a) a Council Regulation establishing the European Financial Stabilisation Mechanism ("**EFSM**") based on Article 122(2) of the Treaty on the functioning of the European Union and (b) the EFSF in order to financially support euro-area Member States in difficulties caused by exceptional circumstances beyond such euro-area Member States' control with the aim of safeguarding the financial stability of the euro area as a whole and of its Member States. It is envisaged that financial support to euro-area Member States shall be provided by EFSF in conjunction with the IMF and shall be on comparable terms to the stability support loans advanced by euro-area Member States to the Hellenic Republic on 8 May 2010 or on such other terms as may be agreed.
- (2) EFSF has been incorporated on 7 June 2010 for the purpose of making stability support to euro-area Member States. In a statement dated 21 July 2011 the Heads of State or Government of the euro area and EU institutions stated their intention to improve the effectiveness of EFSF and address contagion and they had agreed to increase the flexibility of EFSF linked to appropriate conditionality. As a consequence, whilst originally financial assistance was provided solely by way of loan facility agreements, financial assistance may now be granted in the form of financial assistance facility agreements ("**Financial Assistance Facility Agreements**", each a "**Financial Assistance Facility Agreement**") to provide financial assistance by way of loan disbursements, precautionary facilities, facilities to finance the recapitalisation of financial institutions in a euro-area Member State (through loans to the governments of such Member States including in non-programme countries), facilities for the purchase of bonds in the secondary markets on the basis of an ECB analysis recognizing the existence of exceptional financial market circumstances and risks to financial stability or

facilities for the purchase of bonds in the primary market (each such utilization of a Financial Assistance Facility Agreement being a "**Financial Assistance**") with the Financial Assistance to be made under all Financial Assistance Facility Agreements being financed with the benefit of guarantees in an amount of up to EUR 779,783.14 million to be used within a limited period of time. This is intended to result in an effective capacity for EFSF to provide Financial Assistance of EUR 440,000 million. The availability of such Financial Assistance Facility Agreements will be conditional upon the relevant euro-area Member States which request such Financial Assistance Facility Agreements entering into memoranda of understanding (each an "**MoU**") with the European Commission, acting on behalf of the euro-area Member States, including conditions such as budgetary discipline and economic policy guidelines and their compliance with the terms of such MoU. With respect to each Financial Assistance Facility Agreement, the relevant beneficiary euro-area Member State shall be referred to as the "**Beneficiary Member State**". If Financial Assistance is in the form of facilities for the purchase of bonds in the primary or secondary market, the nature and terms, including as to pricing, policy conditionality, conditions to utilization and documentation of such arrangements shall be in accordance with guidelines adopted by the board of directors of EFSF acting unanimously pursuant to Article 2(1)(b). Similarly, if Financial Assistance is in the form of precautionary facilities and facilities to finance the recapitalisation of financial institutions of a euro-area Member State, the board of directors of EFSF acting unanimously shall adopt guidelines under Article 2(1)(c) in relation to such arrangements. The terms of an MoU shall impose appropriate policy conditionality for the full duration of a Financial Assistance Facility Agreement and not just limited to the period in which Financial Assistance is made available. The conditions attached to the provision of Financial Assistance by EFSF as well as the rules which apply to monitoring compliance must be fully consistent with the Treaty on the Functioning of the European Union and the acts of EU law.

(2)(a) On 20 June 2011, euro area Finance Ministers agreed that the pricing structure for EFSF loan facility agreements should be as follows:

- "(a) EFSF Cost of Funding; plus
- (b) the Margin.

The margin shall be equal to 200 basis points with such Margin being increased to 300 basis points in respect of any Loan which remains outstanding after the third anniversary of the date of disbursement.

In respect of fixed rated Loans with a scheduled maturity which exceeds three (3) years, the Margin shall be equal to the weighted average of 200 basis points for the first three (3) years and 300 basis points for the period from (and including) the third anniversary of its drawdown and ending on (but excluding) the scheduled maturity date of such Loan."

Subsequently, on 21 July 2011, Heads of State or Government of the euro area stated:

"We have decided to lengthen the maturity of future EFSF loans to Greece to the maximum extent possible from the current 7.5 years to a minimum of 15 years and up to 30 years with a grace period of 10 years. In this context, we will ensure adequate post programme monitoring. We will provide EFSF loans at lending rates equivalent to those of the Balance of Payments facility (currently approx. 3.5%), close to, without going below, the EFSF funding cost. We also decided to extend substantially the maturities of the existing Greek facility. This will be accompanied by a mechanism which ensures appropriate incentives to implement the programme."

They also stated:

"The EFSF lending rates and maturities we agreed upon for Greece will be applied also for Portugal and Ireland."

- (3) By a decision of the representatives of the governments of the 16 euro-area Member States dated 7 June 2010, acting on the basis of the conclusions of the 27 European Union Member States of 9 May 2010, the Commission was tasked with carrying out certain duties and functions as contemplated by the terms of this Agreement.
- (4) EFSF shall finance the making of Financial Assistance by issuing or entering into bonds, notes, commercial paper, debt securities or other financing arrangements ("**Funding Instruments**") which are backed by irrevocable and unconditional guarantees (each a "**Guarantee**") of the euro-area Member States which shall act as guarantors in respect of such Funding Instruments as contemplated by the terms of this Agreement. The guarantors (the "**Guarantors**") of Funding Instruments issued or entered into by EFSF shall be comprised of each euro-area Member State (excluding any euro-area Member State which is or has become a Stepping-Out Guarantor under Article 2(7) prior to the issue of such Funding Instruments). It is not anticipated that a request under Article 2(7) of this Agreement would be made by a euro-area Member State which has requested Financial Assistance in the form of a precautionary facility, so long as such facility is not drawn or utilised, a facility to finance the recapitalisation of financial institutions in such Member State by way of a loan made to such Member State or a facility for the purchase of bonds of such Member State in the secondary market.
- (5) A political decision has been taken by all euro-area Member States to provide Guarantee Commitments (as defined in Article 2(3)) pursuant to the terms of this Agreement.
- (6) The euro-area Member States and EFSF have entered into this Agreement to set out the terms and conditions upon which EFSF may enter into Financial Assistance Facility Agreements, make Financial Assistance available to euro-

area Member States, finance such Financial Assistance by issuing or entering into Funding Instruments backed by Guarantees issued by the Guarantors, the terms and conditions on which the Guarantors shall issue Guarantees in respect of the Funding Instruments issued by or entered into by EFSF, the arrangements entered into between them in the event that a Guarantor is required to pay under a Guarantee more than its required proportion of liabilities in respect of a Funding Instrument and certain other matters relating to EFSF.

Now, therefore, the Parties have agreed as follows:

1. ENTRY INTO FORCE

- (1) This Agreement (with the exception of the obligation of euro-area Member States to issue Guarantees under this Agreement) shall, upon at least five (5) euro-area Member States comprising at least two-thirds (2/3) of the total guarantee commitments set out in Annex 1 (the "**Total Guarantee Commitments**") providing written confirmation substantially in the form of Annex 3 to EFSF that they have concluded all procedures necessary under their respective national laws to ensure that their obligations under this Agreement shall come into immediate force and effect (a "**Commitment Confirmation**"), enter into force and become binding between EFSF and the euro-area Member States providing such Commitment Confirmations.
- (2) The obligation of euro-area Member States to issue Guarantees under this Agreement shall enter into force and become binding between EFSF and the euro-area Member States which have provided Commitment Confirmations only when Commitment Confirmations have been received by EFSF from euro-area Member States whose Guarantee Commitments represent in aggregate ninety per cent (90%) or more of the Total Guarantee Commitments. Any euro-area Member State which applies for stability support from the euro-area Member States or which benefits from financial support under a similar programme or which is already a Stepping-Out Guarantor shall be excluded in computing whether this ninety per cent (90%) threshold of the Total Guarantee Commitments is satisfied.
- (3) This Agreement and the obligation to provide Guarantees in accordance with the terms of this Agreement shall enter into force and become binding on any remaining euro-area Member States (which have not provided their Commitment Confirmations at the time the Agreement or the obligation to provide Guarantees comes into force pursuant to Article 1(1) or 1(2)) at the time when such euro-area Member States provide their Commitment Confirmation to EFSF copies of which should be addressed to the Commission.

2. **FINANCIAL ASSISTANCE FACILITY AGREEMENTS, GRANT OF FINANCIAL ASSISTANCE, FUNDING INSTRUMENTS AND ISSUANCE OF GUARANTEES**

(1)

- (a) The euro-area Member States agree that in the event of a request made by a euro-area Member State to the other euro-area Member States for a Financial Assistance Facility Agreement (i) the Commission (in liaison with the ECB and the IMF) shall be hereby authorised to negotiate the MoU with the relevant Beneficiary Member State which shall be consistent with a decision the Council may adopt under Article 136(1) of the Treaty on the functioning of the European Union following a proposal of the Commission and the Commission shall be hereby authorised to finalise the terms of such MoU and to sign such MoU with the Beneficiary Member State on behalf of the euro-area Member States once such MoU has been approved by the Eurogroup Working Group (unless an MoU has been already entered into between the Beneficiary Member State and the Commission under the EFSM which MoU has been approved by all euro-area Member States in which case this latter MoU shall apply, provided that it covers both EFSM and EFSF stability support); (ii) following such approval of the relevant MoU, the Commission, in liaison with the ECB, shall make a proposal to the Eurogroup Working Group of the main terms of the Financial Assistance Facility Agreement to be proposed to the Beneficiary Member State based on its assessment of market conditions and provided that the terms of such Financial Assistance Facility Agreement contain financial terms compatible with the MoU and the compatibility of maturities with debt sustainability; (iii) following a decision of the Eurogroup Working Group, EFSF (in conjunction with the Eurogroup Working Group) shall negotiate the detailed, technical terms of the Financial Assistance Facility Agreements under which Financial Assistance will, subject to the terms and conditions set out therein, be made available to the relevant Beneficiary Member State, provided that such Financial Assistance Facility Agreements shall be substantially in the form of template Financial Assistance Facility Agreements (each adapted to the particular form of financial assistance being provided to the relevant euro-area Member State) which shall be approved by the euro-area Member States for the purpose of this Agreement and the financial parameters of such Financial Assistance Facility Agreements shall be based on the financial terms proposed by the Commission, in liaison with the ECB, and approved by the Eurogroup Working Group and (iv) EFSF shall collect, verify and hold in safe custody the conditions precedent to such Financial Assistance Facility Agreements and the executed versions of all related documents. The terms of Article 3(2) set out the basis upon which decisions shall be made in relation to Financial Assistance to be

made available under an existing Financial Assistance Facility Agreement subject to any other procedures which may be adopted pursuant to guidelines adopted by the board of directors of EFSF pursuant to Articles 2(1)(b) or 2(1)(c). Given that EFSF is not a credit institution, Beneficiary Member States shall represent and warrant in each Financial Assistance Facility Agreement that no regulatory authorisation is required for EFSF to grant Financial Assistance to such Beneficiary Member State under its applicable national law or that an exemption to such regulatory authorisation requirement exists under applicable national law. The Guarantors hereby authorise EFSF to sign such Financial Assistance Facility Agreements, subject to the prior unanimous approval by all of them participating in the relevant votes of Guarantors.

- (b) Financial Assistance to a euro-area Member State may consist of facilities for the purchase of bonds in the secondary market to avoid contagion, on the basis of an ECB analysis recognising the existence of exceptional financial market circumstances and risks to financial stability or by way of facilities for the purchase of bonds in the primary market. The nature and terms, including as to pricing, conditions to and procedures for disbursement or utilisation, administration, documentation and monitoring of compliance with policy conditionality of such arrangements shall be in accordance with guidelines adopted by the board of directors of EFSF acting with unanimity. Bonds purchased by EFSF in the primary or secondary markets can either be held to maturity or sold in accordance with the applicable guidelines.
 - (c) To improve the effectiveness of EFSF and address contagion, Financial Assistance Facility Agreements to a euro-area Member State may consist of precautionary facilities or facilities to finance the re-capitalisation of financial institutions in a euro-area Member State by way of a loan to the government of such Member State (whether or not it is a programme country). If a Financial Assistance Facility Agreement covers such Financial Assistance, the nature and terms of such agreement, including as to pricing, conditions to and procedures for disbursement or utilisation, compliance with policy conditionality, administration, documentation and monitoring of compliance with policy conditionality shall be in accordance with guidelines to be adopted by the board of directors of EFSF acting with unanimity.
- (2) In respect of each Financial Assistance Facility Agreement and the Financial Assistance to be made thereunder, the euro-area Member States agree that EFSF (in consultation with the Eurogroup Working Group) shall be authorised to structure and negotiate the terms on which EFSF may issue or enter into Funding Instruments on a stand-alone basis or pursuant to a debt issuance programme or programmes or facility (each an "**EFSF Programme(s)**") to finance the making of Financial Assistance to

Beneficiary Member States. So long as market conditions permit and save as otherwise stated in this Agreement, such Funding Instruments shall have substantially the same financial profile as the related Financial Assistance (provided that (x) for operational reasons there will need to be delays between issue dates and payment dates to facilitate the transfers of funds and calling Guarantees and (y) notwithstanding the liability of each Guarantor to pay any amounts of interest and principal due but unpaid under the Funding Instruments, the recourse of investors against EFSF under the Funding Instruments shall be limited to the assets of EFSF including, in particular, the amounts it recovers in respect of the Financial Assistance. The pricing which will apply to each Financial Assistance is intended to cover the cost of funding and operations incurred by EFSF and shall include a margin (the "**Margin**"). This shall provide remuneration for the Guarantors and shall be specified in the relevant Financial Assistance Facility Agreement. The EFSF shall review periodically the pricing structure applicable to its Financial Assistance Facility Agreements and any changes thereto shall be agreed by the Guarantors acting unanimously in accordance with Article 10(5). The Service Fee retained in respect of Financial Assistance disbursed prior to the Effective Date of the Amendments may be used to cover the operational costs of EFSF and any costs and fees directly related to the issuance of Funding Instruments which have not otherwise been charged to the relevant Beneficiary Member State.

- (3) In respect of Funding Instruments issued or entered into under an EFSF Programme or on a stand-alone basis, each Guarantor shall be required to issue an irrevocable and unconditional Guarantee in a form to be approved by the Guarantors for the purpose of this Agreement and in an amount equal to the product of (a) the percentage set out next to each Guarantor's name in the third column (the "**Contribution Key**") in Annex 2 ²(as such percentage is adjusted from time to time in accordance with the terms of this Agreement and/or to reflect any euro-area Member State not yet having provided its Commitment Confirmation during the implementation period pursuant to Article 1 and notified in writing by EFSF to the Guarantors) (the "**Adjusted Contribution Key Percentage**"), (b) up to 165% (the "**Over-Guarantee Percentage**") in respect of Funding Instruments issued or entered into after the Effective Date of the Amendments, and (c) the obligations of EFSF (in respect of principal, interest or other amounts due) in respect of the Funding Instruments issued or entered into by EFSF on a stand-alone basis or under an EFSF Programme. If EFSF issues Funding Instruments under an EFSF Programme, each Guarantor shall issue its Guarantee to guarantee all Funding Instruments issued or entered into pursuant to the relevant EFSF Programme. The Offering Materials or contractual documentation for each issue or contracting of Funding Instruments made under an EFSF Programme shall

² In respect of Funding Instruments issued or entered into prior to the Effective Date of the Amendments the Contribution Key and Adjusted Contribution Key Percentage shall be determined by the terms of this Agreement (including Annex 2) prior to the amendments.

confirm which Guarantors have Guarantees which cover the relevant Funding Instruments or issue or series thereof. EFSF may also request the Guarantors to issue Guarantees under this Agreement for other purposes which are closely-linked to an issue of Funding Instruments and which facilitates the obtaining and maintenance of a high quality rating for Funding Instruments issued by EFSF and efficient funding by EFSF. The decision to issue Guarantees for such other purposes in connection with an EFSF Programme or a stand-alone issue of or entry into Funding Instruments shall be taken by a unanimous decision of the Guarantors. No Guarantor shall be required to issue Guarantees which would result in it having a Guarantee Notional Exposure in excess of its guarantee commitment ("**Guarantee Commitment**") set alongside its name in Annex 1. For the purposes of this Agreement, a Guarantor's "**Guarantee Notional Exposure**" is equal to the aggregate of:

- (i) the principal amount of Funding Instruments issued or entered into (including Funding Instruments issued or entered into pursuant to any Diversified Funding Strategy approved pursuant to Article 4(5), and other principal amounts guaranteed under Guarantees issued for other purposes pursuant to Article 2(3)) which benefit from Guarantees issued under this Agreement and which remain outstanding; and
- (ii) without double counting, the aggregate amounts paid by the Guarantors following demands made under Guarantees issued under this Agreement which paid amounts have not been reimbursed to the Guarantors.

Accordingly, if an outstanding, undrawn Guarantee expires or if an amount drawn under a Guarantee is reimbursed this will reduce a Guarantor's Guarantee Notional Exposure and replenish its capacity to issue Guarantees under this Agreement.

It is acknowledged and agreed that the amendments to this Article 2(3) apply to Funding Instruments issued or entered into on or after the Effective Date of the Amendments. These amendments do not in any respect affect or reduce the liability of Guarantors (including any Guarantors which became Stepping-Out Guarantors) under Guarantees which guarantee Funding Instruments issued or entered into prior to the Effective Date of the Amendments in respect of which the Contribution Key and Adjusted Contribution Key Percentage and Guarantee Commitment of each Guarantor is that which applied on the date of issue of or entry into the relevant Funding Instrument.

- (4)
 - (a) The Guarantees shall irrevocably and unconditionally guarantee the due payment of scheduled payments of interest and principal due on Funding Instruments issued by EFSF. In the case of EFSF Programmes, the Guarantors shall issue Guarantees which guarantee all series of Funding Instruments issued from time to time under the

relevant EFSF Programme. The Offering Materials and/or contractual documentation of each series shall confirm which Guarantees cover that series, in particular, if a Guarantor under the relevant EFSF Programme has subsequently become a Stepping-out Guarantor and no longer guarantees further issues or series under such EFSF Programme.

- (b) The Guarantees may be issued to a bond trustee or other representative of bondholders or creditors (a "**Noteholder Representative**") who shall be entitled to make demands under the Guarantees on behalf of holders of Funding Instruments and enforce the claims of holders of Funding Instruments so as to facilitate the management of making demands on the Guarantees. The detailed terms and conditions of each issue of Funding Instruments and the Guarantees relating thereto shall be agreed by EFSF, subject to the approval of the Guarantors, and shall be as described in the relevant Offering Materials (as defined in Article 4(1) applicable thereto) and applicable contractual documentation.
- (5) A Guarantor shall only be required to issue a Guarantee in accordance with this Agreement if:
- (a) it is issued in respect of Funding Instruments issued or entered into under an EFSF Programme or on a stand-alone basis and such Funding Instruments finance the making of Financial Assistance approved in accordance with the terms of this Agreement and the Articles of Association of EFSF or it is issued for such other closely-linked purpose as are approved under Article 2(3);
 - (b) the Guarantee is issued to facilitate the financing under Financial Assistance Facility Agreements entered into on or prior to 30 June 2013 (including the financing of Financial Assistance made pursuant to an existing Financial Assistance Facility Agreement after such date and any related issue of bonds or debt securities related thereto) and the Guarantee is in any event issued on or before 30 June 2013;
 - (c) the Guarantee is in the form approved by euro-area Member States for the purpose of this Agreement and the EFSF Programme;
 - (d) the liability of the Guarantor under such Guarantee gives rise to a Guarantee Notional Exposure which complies with the terms of Article 2(3); and
 - (e) it is denominated in euros or such other currency as is approved by the Guarantors for the purpose of this Agreement.
- (6) The Guarantee Commitment of each Guarantor to provide Guarantees is irrevocable and firm and binding. Each Guarantor will be required, subject to

the terms of this Agreement, to issue Guarantees up to its Guarantee Commitment for the amounts to be determined by EFSF and at the dates specified by EFSF in order to facilitate the issuance or entry into of Funding Instruments under the relevant EFSF Programme or stand-alone Funding Instrument in each case in accordance with the EFSF funding strategy.

- (7) If a euro-area Member State encounters financial difficulties such that it makes a demand for a Financial Assistance Facility Agreement from EFSF, it may by written notice together with supporting information satisfactory to the other Guarantors request the other Guarantors (with a copy to the Commission, the Eurogroup Working Group Chairman) to accept that the Guarantor in question does not participate in issuing a Guarantee or incurring new liabilities as a Guarantor in respect of any further debt issuance by EFSF. The decision of the euro-area Member States in relation to such a request is to be made at the latest when they decide upon making any further Financial Assistance Facility Agreements or make available further Financial Assistance.
- (8) In respect of Financial Assistance disbursed prior to the Effective Date of the Amendments, an up-front service fee (the "**Service Fee**") calculated as being 50 basis points on the aggregate principal amount of each Financial Assistance shall be charged to each Beneficiary Member State and deducted from the cash amount to be remitted to the Beneficiary Member State in respect of each such Financial Assistance. In addition, the net present value (calculated on the basis of the internal rate of return of the Funding Instruments financing such Financial Assistance (or such other blended internal rate of return as is deemed appropriate in case of a Diversified Funding Strategy), the "**Discount Rate**") of the anticipated Margin that would accrue on each Financial Assistance to its scheduled maturity date (the "**Prepaid Margin**") shall be deducted from the cash amount to be remitted to the Beneficiary Member State in respect of such Financial Assistance. The Service Fee and the Prepaid Margin, together with such other amounts as EFSF decides to retain as an additional cash buffer, will be deducted from the cash amount remitted to the Beneficiary Member State in respect of each Financial Assistance (such that on the disbursement date (the "**Disbursement Date**") the Beneficiary Member State receives the net amount (the "**Net Disbursement Amount**")) but shall not reduce the principal amount of such Financial Assistance that the Beneficiary Member State is liable to repay and on which interest accrues under the relevant Financial Assistance. These retained amounts shall be retained to provide a cash reserve to be used as credit enhancement and otherwise as described in Article 5 below. The "**Cash Reserve**" shall include these retained amounts, the amounts credited to the Cash Reserve under Article 2(9), together with all income and investments earned by investment of these amounts. The Cash Reserve shall be invested in accordance with investment guidelines approved by the board of directors of EFSF.

- (9) In respect of Financial Assistance disbursed after the Effective Date of the Amendments, if on the date of disbursement of such Financial Assistance, the Notes issued to finance such Financial Assistance obtain the highest credit ratings (without any additional credit enhancement), then, unless otherwise agreed:
- (a) subject to Article 2(9)(c), the Margin shall be payable on such Financial Assistance in arrear at the end of each interest period;
 - (b) an amount calculated as being 50 basis points on the aggregate principal amount of each Financial Assistance shall be charged to the Beneficiary Member State as an advance payment of a portion of the Margin on such Financial Assistance (the "**Advance Margin**") and shall be deducted from the cash amount to be remitted to the Beneficiary Member State in respect of such Financial Assistance;
 - (c) on the first (and/or subsequent) interest payment date(s) of a Financial Assistance the amount payable in respect of the Margin shall be reduced by an amount equal to the Advance Margin and the interest cost related to the funding of the Advance Margin; and
 - (d) the only deduction from the cash amount of the Financial Assistance shall be the amount of Advance Margin and any fees and costs incurred in connection with the issue of Funding Instruments to finance such Financial Assistance and any adjustment for Funding Instruments being issued for an issue price less than par value ("**Issuance Costs**") and the Net Disbursement Amount shall be equal to the principal amount of the Financial Assistance less (i) the amount of Advance Margin and (ii) the Issuance Costs.

The deduction of an amount equal to the Issuance Costs and the amount of Advance Margin shall not reduce the principal amount of a Financial Assistance that the Beneficiary Member State is liable to repay and on which interest accrues.

Advance Margin and Margin amounts retained or received in respect of a Financial Assistance shall be credited to the Cash Reserve.

If, on the date of disbursement of a Financial Assistance, the Notes issued to finance such Financial Assistance would not obtain the highest quality credit ratings (without any additional credit enhancement), then the euro-area Member States may adopt additional credit enhancement mechanisms under Article 5(3) of this Agreement and make consequent modifications to the relevant Financial Assistance Facility Agreement.

- (10) If, following the repayment of all Financial Assistance made under Financial Assistance Facility Agreements and all Funding Instruments issued by or entered into by EFSF, there remain amounts in the Cash Reserve (including amounts representing interest or investment income earned by investment of

the Cash Reserve), then, unless otherwise agreed, these amounts shall be paid to the Guarantors as consideration for the issuance of their Guarantees. EFSF shall maintain ledger accounts and other records of the amounts of Service Fee and anticipated Margin retained in respect of each Financial Assistance Facility Agreement and the amounts credited to the Cash Reserve under Article 2(9) and the amount of all Guarantees issued by each Guarantor pursuant to this Agreement. These ledger accounts and records shall permit EFSF to calculate the consideration due to each Guarantor in respect of the Guarantees issued under this Agreement which shall be payable on a *pro rata* proportional basis to each Guarantor by reference to its participation in all the Guarantees issued under this Agreement.

- (11) Euro-area Member States which are potential Beneficiary Member States may only request and enter into Financial Assistance Facility Agreements in the period commencing on the date this Agreement enters into force and ending on 30 June 2013 (provided that Financial Assistance may be disbursed after this date under Financial Assistance Facility Agreements entered into prior to this date).
- (12) Following the execution of this Agreement, the Parties shall agree upon forms of (i) the Guarantees, (ii) the Financial Assistance Facility Agreements (adapted as appropriate pursuant to guidelines adopted by the board of directors of EFSF under Articles 2(1)(b) or 2(1)(c)), (iii) the documentation for the Funding Instruments, (iv) the arrangements in respect of the appointment of Noteholder Representatives, (v) the dealer and subscription agreements for Funding Instruments and (vi) any agency or service level agreement with EIB or any other agency, institution or person.

3. PREPARATION AND AUTHORISATION OF DISBURSEMENTS

- (1) Before each disbursement of a Financial Assistance under a Financial Assistance Facility Agreement, unless otherwise specified in the relevant Financial Assistance Facility Agreement (in accordance with guidelines adopted by the board of directors of EFSF pursuant to Articles 2(1)(b) or 2(1)(c) and applicable to the relevant category of Financial Assistance Facility Agreement), the Commission will, in liaison with the ECB, present a report to the Eurogroup Working Group analysing compliance by the relevant Beneficiary Member State with the terms and the conditions set out in the MoU and in the Council Decision (if any) relating to it. The Guarantors will evaluate such compliance and will unanimously decide on whether to permit disbursement of the relevant Financial Assistance. The first Financial Assistance to be made available to a Beneficiary Member State under a Financial Assistance Facility Agreement shall be released or utilised following the initial signature of the relevant MoU and will not be the object of such a report. The board of directors of EFSF acting with unanimity shall adopt guidelines under Article 2(1)(b) and 2(1)(c) regarding the conditions to and procedures for the disbursement and on-going monitoring of compliance with policy conditionality of Financial Assistance in the form of

precautionary facilities, facilities for the recapitalisation of financial institutions in a Member State and facilities for the purchase of bonds in the primary or secondary markets.

- (2) Unless otherwise specified in the relevant Financial Assistance Facility Agreement (in accordance with guidelines adopted by the board of directors of EFSF under Articles 2(1)(b) or 2(1)(c) and applicable to the relevant category of Financial Assistance Facility Agreement), following a request for financial assistance (a "**Request for Financial Assistance**") from a Beneficiary Member State complying with the terms of the relevant Financial Assistance Facility Agreement, the Guarantors shall (other than in respect of the first Financial Assistance) consider the report of the Commission regarding the Beneficiary Member State's compliance with the MoU and the relevant Council decision (if any). If, acting unanimously, the Guarantors consider that the Beneficiary Member State has complied with the conditions to drawdown under the Financial Assistance Facility Agreement and are satisfied with its compliance with the terms and conditions of the MoU then the Eurogroup Working Group Chairman shall request in writing EFSF to make a proposal of detailed terms of the Financial Assistance it would recommend to make to the Beneficiary Member State within the parameters of the Financial Assistance Facility Agreement, the MoU, taking into account debt sustainability and the market situation for bond issuance. The EFSF proposal shall specify the amount which EFSF is authorised to make available by way of a Financial Assistance under the Financial Assistance Facility Agreement and on what terms including as to the amount of the Financial Assistance, the Net Disbursement Amount, the term, the redemption schedule and the interest rate (including the Margin) in relation to such Financial Assistance. If the Eurogroup Working Group accepts this proposal the Eurogroup Working Group Chairman shall request EFSF to communicate an acceptance notice (an "**Acceptance Notice**") to the Beneficiary Member State confirming the terms of the Financial Assistance.
- (3) At the latest following the signature of a Financial Assistance Facility Agreement, EFSF shall commence the process for the issuance of or entry into Funding Instruments under the EFSF Programme(s) or otherwise and, to the extent necessary, shall request the Guarantors to issue Guarantees in accordance with Article 2 (above) such that EFSF has sufficient funds when needed to make disbursements under the relevant Financial Assistance .
- (4) If applicable, and prior to the delivery of any Acceptance Notice, the Eurogroup Working Group Chairman shall communicate to the Commission and EFSF whether any Guarantor has notified it that the circumstances described in Article 2(7) apply to it and the decision of the euro-area Member States relating thereto. The Eurogroup Working Group Chairman shall communicate the decisions of the Guarantors to EFSF, the Commission and the euro-area Member States at least thirty (30) Business Days prior to the date of any related issue of or entry into Funding Instruments.

- (5) On the relevant Disbursement Date, unless otherwise specified in the relevant Financial Assistance Facility Agreement (in accordance with guidelines adopted by the board of directors of EFSF under Articles 2(1)(b) or 2(1)(c) and applicable to the relevant category of Financial Assistance Facility Agreement) EFSF shall make the relevant Financial Assistance available to the Beneficiary Member State by making available the Net Disbursement Amount through the accounts of EFSF and the relevant Beneficiary Member State opened for the purpose of the Financial Assistance Facility Agreement with the ECB.

4. **ISSUANCE OF OR ENTRY INTO FUNDING INSTRUMENTS**

- (1) In compliance with its funding strategy, EFSF may issue or enter into Funding Instruments benefitting from the Guarantees on a stand-alone basis or shall establish one or more EFSF Programme(s) for the purpose of issuing Funding Instruments benefitting from Guarantees which shall finance the making of Financial Assistance in accordance with the terms of this Agreement. EFSF may establish a base prospectus (the "**Base Prospectus**") for each EFSF Programme with each individual issue of Funding Instruments being issued pursuant to final terms ("**Final Terms**") setting out the detailed financial terms of each issue (including the Over-Guarantee Percentage applicable to such issue of Funding Instruments). Alternatively, EFSF may establish information memoranda (the "**Information Memoranda**") for the purpose of issuing Funding Instruments (which would not be prospectuses for the purposes of the Prospectus Directive 2003/71/EC). Any Base Prospectus, Final Terms, prospectus, Information Memorandum or related materials relating to the placement or syndication of Funding Instruments shall be referred to as "**Offering Materials**". It shall also enter into relevant contractual documentation relating to such Funding Instruments.
- (2) EFSF shall devise standard terms and conditions for the Funding Instruments issued or entered into by EFSF. These may include provisions for the calling of Guarantees either by EFSF if it anticipates a shortfall prior to a scheduled payment date or by the relevant Noteholder Representative (if EFSF has failed to make a scheduled payment of interest or principal under a Funding Instrument when due). The standard terms and conditions shall clarify that there is no acceleration of Funding Instruments in the event that the Financial Assistance financed by such Funding Instruments are accelerated or pre-paid for whatever reason.
- (3) In connection with the structuring and negotiation of Funding Instruments on a stand-alone basis or under EFSF Programme(s) EFSF may:
 - (a) appoint, liaise and negotiate with arranging banks, lead managers and book-runners;
 - (b) appoint, liaise and negotiate with rating agencies and rating agency advisers and supply them with such data and documentation and make such presentations as necessary to obtain requisite ratings;

- (c) appoint, liaise and negotiate with paying agents, listing agents, Noteholder Representative, lawyers and other professional advisers;
 - (d) appoint, liaise and negotiate with common depositaries and clearing systems such as Euroclear and/or Clearstream for the settlement of Funding Instruments;
 - (e) attend investor presentations and road shows to assist in the placement or syndication of Funding Instruments pursuant to the EFSF Programme(s);
 - (f) negotiate, execute and sign all legal documentation related to the Funding Instruments and any EFSF Programme(s); and
 - (g) generally do such other things necessary for the successful structuring and implementation of the EFSF Programme(s) and the issuance of or entry into Funding Instruments.
- (4) EFSF shall, subject to market conditions and the terms of this Article 4, fund Financial Assistance by the issuance of or entry into Funding Instruments on a matched-funding basis such that the Funding Instruments financing a Financial Assistance have substantially the same financial profile as to amount, time of issue, currency, repayment profile, final maturity and interest basis, provided that, to the extent feasible, the scheduled payment dates for Financial Assistance shall be at least fourteen (14) Business Days prior to the scheduled payment dates under the related Funding Instruments to permit processing of payments.
- (5) If, due to market condition or the volume of Funding Instruments to be issued or entered into by EFSF under the EFSF Programme(s) it is not practicable or feasible to issue or enter into Funding Instruments on a strict matched-funding basis, EFSF may request the Guarantors to permit EFSF certain flexibilities as to funding such that its funding is not matched to the Financial Assistance it makes, in particular as to (a) currency of Funding Instruments, (b) timing for the issue or entry into of Funding Instruments, (c) interest rate bases and/or (d) maturity and repayment profile of the Funding Instruments to be issued or entered into (including the possibility of issuing short term debt instruments, commercial paper or other financing arrangements supported by Guarantees) and (e) the possibility of pre-funding of Financial Assistance under Financial Assistance Facility Agreements. The Guarantors, acting unanimously, may permit EFSF to use a degree of funding flexibility and shall specify within which parameters and limits EFSF may adopt a non-matched funding strategy (a "**Diversified Funding Strategy**").
- (6) Given that a Diversified Funding Strategy would require the management of transformation and basis risks, in the event that a Diversified Funding Strategy is authorised in relation to EFSF it may delegate the management of such funding activities, related asset and liability management activities and the conclusion of any related currency, interest rate or maturity mis-match hedging instruments to one or more debt management agencies of euro-area Member State or such other agencies or institutions as are approved unanimously by the Guarantors which shall be entitled to be compensated at

an arm's length commercial rate for the provision of such services which remuneration shall constitute an operating cost for EFSF.

5. CREDIT ENHANCEMENT, LIQUIDITY AND TREASURY

- (1) The credit enhancement for the EFSF Programme shall include the following elements:
 - (a) the Guarantees and, in particular, the fact that the participation of each Guarantor in issuing Guarantees shall be made on the basis of the Adjusted Contribution Key Percentage and that the Guarantee issued by each Guarantor is for an Over-Guarantee Percentage of up to 165% (as required to ensure the highest credit worthiness for Funding Instruments issued or entered into by EFSF on the date of issue) in respect of Funding Instruments issued or entered into after the Effective Date of the Amendments of its Adjusted Contribution Key Percentage of the amounts of the relevant Funding Instruments;
 - (b) the Cash Reserve (retained in respect of Financial Assistance disbursed prior to the Effective Date of the Amendments) shall act as a cash buffer. The Cash Reserve shall, pending its use, be invested in high quality liquid debt instruments. Upon repayment of all Financial Assistance made by EFSF and Funding Instruments issued by EFSF, the balance of the Cash Reserve shall be used firstly to repay any amounts paid by Guarantors which have not been repaid out of recoveries from the relevant underlying Beneficiary Member States and secondly, shall be paid to the Guarantors as consideration for their issuance of Guarantees under this Agreement as described in Article 2(10); and
 - (c) such other credit enhancement mechanisms as may be approved under this Article 5.
- (2) In the event that there is a delay or failure to pay by a Beneficiary Member State of a payment under a Financial Assistance and accordingly there is a shortfall in funds available to meet a scheduled payment of interest or principal under a Funding Instrument issued by EFSF then EFSF shall:
 - (a) first, make a demand on a *pro rata, pari passu* basis on the Guarantors which have guaranteed such Funding Instrument up to the applicable Over-Guarantee Percentage of their respective Adjusted Contribution Key Percentage of the amount due but unpaid;
 - (b) second, if the steps taken in Article 5(2)(a) do not fully cover the shortfall, to release an amount from the Cash Reserve (provided that EFSF may not use any amounts credited to the Cash Reserve prior to the Effective Date of the Amendments to cover shortfalls arising in respect of Financial Assistance Facility Agreements entered into after such date) to cover such shortfall; and
 - (c) third, take such other steps as may be available in the event that additional credit enhancement mechanisms have been approved under Article 5(3).
- (3) The euro-area Member States may by unanimous decision approve and adopt such other credit enhancement mechanisms as they consider appropriate or,

as the case may be, modify the existing credit enhancement mechanisms in order to enhance or to maintain the creditworthiness of the Funding Instruments issued or contracted by EFSF or to enhance the efficiency of funding of EFSF. Such other credit enhancement measures might include, amongst other techniques, the provision of subordinated loans, warehousing arrangements, liquidity lines or backstop facilities to EFSF or the issuance by EFSF of subordinated notes and/or the adoption of available credit enhancement mechanisms used by EFSF in relation to Financial Assistance disbursed prior to the Effective Date of the Amendments.

- (4) If a Guarantor has failed to make a payment which is due and payable in respect of a Guarantee and, as a consequence EFSF makes a withdrawal from the Cash Reserve to cover the shortfall pursuant to Article 5(2)(b) then such Guarantor shall reimburse such amount to EFSF on first written demand together with interest on such amount at a rate equal to one month EURIBOR plus 500 basis points from the date the amount is withdrawn from the Cash Reserve to the date such Guarantor reimburses such amount to EFSF together with such accrued interest. EFSF shall apply such reimbursed amounts (and the interest accrued thereon) to replenish the Cash Reserve.
- (5) In order to facilitate the availability of adequate liquidity for the funding needs of EFSF:
 - (a) each euro-area Member State will ensure that EFSF will be eligible for receiving a counterparty limit for cash management operations of the debt management operations of the debt management agency of such euro-area Member State; and
 - (b) each euro-area Member State shall co-operate to assist EFSF to ensure that its Funding Instruments comply with applicable criteria to be eligible as collateral in Eurosystem operations.
- (6) In order to minimise any negative-carry costs in the event of any Diversified Funding Strategy EFSF shall be entitled to make deposits or other placements which, in accordance with the investment strategy agreed by the board of directors of EFSF, minimise the risk of a funding mis-match or negative-carry costs.
- (7) In respect of Financial Assistance disbursed after the Effective Date of the Amendments:
 - (a) the Beneficiary Member States shall cover Issuance Costs (as described in Article 2(9));
 - (b) EFSF shall cover costs and expenses incurred in relation to a Financial Assistance Facility Agreement out of the Cash Reserve; Provided that, EFSF may not use any of the Cash Reserve established prior to the Effective Date of the Amendments to cover costs or expenses incurred in relation to Financial Assistance Facility Agreements entered into after such date unless the Cash Reserve is no longer required to serve as credit enhancement.

- (c) This Article 5(7) shall be without prejudice to any undertaking of the Beneficiary Member State under the Financial Assistance Facility Agreement to cover costs and expenses of EFSF.
- (8) The euro-area Member States may, by a decision made pursuant to Article 10(6), agree that EFSF may use part of the sums credited to the Cash Reserve under Article 2(9) to cover the general non-loan specific operating expenses or exceptional costs of EFSF. Provided that, EFSF may not release any Prepaid Margin which has been credited to the Cash Reserve to constitute credit enhancement prior to the Effective Date of the Amendments to cover such operating or exceptional costs so long as such portion of the Cash Reserve is needed to constitute credit enhancement.
- (9) It is acknowledged and agreed that the provision of Article 5(7) and 5(8) are without prejudice to the general budgetary procedures of EFSF.

6. CLAIMS UNDER A GUARANTEE

- (1) If EFSF becomes aware that it has not received in full a scheduled payment under a Financial Assistance and such shortfall will give rise to a shortfall in available funds to make a scheduled payment of principal or interest under Funding Instruments issued by EFSF or scheduled payment due from EFSF under any other instrument or agreement which benefits from a Guarantee issued under this Agreement, it shall immediately notify in writing the Chairman of the Eurogroup Working Group, the Commission and each Guarantor and inform each Guarantor of its share of the shortfall under the terms of this Agreement and the relevant Guarantee and demand in writing each Guarantor to remit to EFSF its share of such shortfall on the date (the "**Guarantee Payment Date**") which is at least two (2) Business Days prior to the scheduled date for payment of the relevant amounts by EFSF (an "**EFSF Guarantee Demand**").
- (2) Each Guarantor shall remit to EFSF (or, if so specified in the relevant documentation, to the paying agent of the relevant Funding Instrument) its share of the amount demanded in the EFSF Guarantee Demand addressed to it by EFSF in cleared funds on the Guarantee Payment Date.
- (3) In the event that EFSF fails to pay a scheduled payment of interest or a scheduled payment of principal on a date when such amount is due and payable under a Funding Instrument issued by EFSF then the relevant Noteholder Representative shall be entitled to demand in writing (a "**Noteholder Representative Guarantee Demand**") the Guarantors (with a copy to EFSF) to pay the unpaid amount of such scheduled payment of interest and/or such scheduled payment of principal. Similarly, in the event of a failure by EFSF to pay a scheduled payment under any other instrument or agreement entered into between EFSF and a counterparty (a "**Counterparty**") which benefits from a Guarantee issued under this Agreement (which has been issued for a purpose closely-linked to an issue of Funding Instruments pursuant to Article 2(3)) the relevant Counterparty shall be entitled to demand in writing (a "**Counterparty Guarantee Demand**")

the Guarantors (with a copy to EFSF) the unpaid amount of such scheduled payment. In the event of receipt by the Guarantors and EFSF of a Noteholder Representative Guarantee Demand or a Counterparty Guarantee Demand each Guarantor shall in accordance with the terms of its Guarantee remit in cleared funds its share of the amount duly demanded in such Noteholder Representative Guarantee Demand or, as the case may be such Counterparty Guarantee Demand. The detailed payment mechanics for co-ordinating payments under the Guarantees shall be set out in the documentation for the issue of Funding Instruments and the related Guarantees.

- (4) In the event that a shortfall of receipts in respect of a Financial Assistance gives rise both to an EFSF Guarantee Demand and a Noteholder Representative Guarantee Demand (or Counterparty Guarantee Demand) the relevant Guarantors shall only be liable to make one payment under their respective Guarantees, without double counting.
- (5) The Parties acknowledge and agree that each Guarantor shall be entitled to make payment in respect of any EFSF Guarantee Demand, Noteholder Representative Guarantee Demand or Counterparty Guarantee Demand which appears to be valid on its face without any reference by it to EFSF or any other Party or any other investigation or enquiry. EFSF irrevocably authorises each Guarantor to comply with any Guarantee Demand.
- (6) EFSF and each of the other Parties acknowledges and agrees that each Guarantor:
 - (i) is not obliged to carry out any investigation or seek any confirmation prior to paying a claim;
 - (ii) is not concerned with:
 - (1) the legality of a claim or any underlying transaction or any set-off, defence or counterclaim which may be available to any person;
 - (2) any amendment to any underlying document; or
 - (3) any unenforceability, illegality or invalidity of any document or security.
- (7) EFSF shall be liable to reimburse each Guarantor in respect of any claim paid in respect of a Guarantee and shall indemnify each Guarantor in respect of any loss or liability incurred by a Guarantor in respect of a Guarantee. EFSF's reimbursement obligation is subject to and limited to the extent of funds actually received from the underlying Beneficiary Member States or otherwise recovered by EFSF in respect of the Financial Assistance which gave rise to a shortfall of funds.
- (8) In addition to the reimbursement obligation of EFSF under Article 6(5), if a Guarantor makes a payment under its Guarantee, EFSF shall assign and transfer to the relevant Guarantor an amount of EFSF's rights and interests under the relevant Financial Assistance corresponding to the shortfall in payments made by the Beneficiary Member State and the related payment

made by the Guarantor under the Guarantee. EFSF shall remain servicer of such portion of the Financial Assistance which has been assigned and transferred to the relevant Guarantor so as to facilitate the co-ordinated management of the Financial Assistance and the treatment of all Guarantors on a *pari passu* basis.

- (9) All Guarantors shall rank equally and *pari passu* amongst themselves, in particular in respect of reimbursement of amounts paid by them under their Guarantees provided that, if a Guarantor owes sums to EFSF pursuant to Article 5(4) or sums to the other Guarantors pursuant to Article 7(1), sums recovered from underlying Beneficiary Member States which would otherwise be due from EFSF to such Guarantor shall be applied to repaying the amount due under 5(4) or paying the amount due to other Guarantors under Article 7(1) in priority to being applied to reimburse such Guarantor.

7. CONTRIBUTION BETWEEN GUARANTORS

- (1) (a) If a Guarantor meets claims or demands in respect of any Guarantee it has issued or incurs costs, losses, expenses or liabilities in connection therewith ("**Guarantee Liabilities**"), and the aggregate amount of Guarantee Liabilities it makes or incurs exceeds its Required Proportion for the given Guarantee then it shall be entitled to be indemnified and receive contribution, upon first written demand, from the other Guarantors, in respect of such Guarantee Liabilities such that each Guarantor ultimately bears only its Required Proportion of such aggregate Guarantee Liabilities, provided that if the aggregate Guarantee Liabilities of any Guarantor in respect of any Guarantee is not reduced to its Required Proportion within three (3) Business Days, the other Guarantors (excluding Stepping-Out Guarantors) shall indemnify such Guarantor in an amount such that the excess over the Required Portion is allocated to each of the Guarantors (excluding Stepping-Out Guarantors) on a *pro rata* basis. The "**Required Proportion**" is equal to the Adjusted Contribution Key Percentage applicable to the relevant Guarantee as it applies to the relevant guaranteed obligation of EFSF. For the avoidance of doubt, in respect of the Republic of Estonia, it is only required to make or to receive contributions under this Article 7 in respect of Funding Instruments issued or entered into after the Effective Date of the Amendments. Any indemnity or contribution payment from one Guarantor to another under this Article 7 shall bear interest at a rate equal to one month EURIBOR plus 500 basis points which shall accrue from the date of demand of such payment to the date such payment is received by such Guarantor.

(b) The provisions of this Article 7 shall apply *mutatis mutandis* if a euro-area Member State issues any Guarantees according to an Adjusted Contribution Key Percentage in excess of that which would apply to it once 100% Total Guarantee Commitments have been obtained provided that the term "Guarantor" shall include any euro-area Member State which has not yet provided its Commitment Confirmation prior to EFSF issuing or entering into the relevant Funding Instrument.

- (2) The obligations of each Guarantor to make contributions or indemnity payments under this Article are continuing obligations which extend to the ultimate balance of sums due regardless of any intermediate payment or discharge in whole or in part.
- (3) The indemnity and contribution obligations of any Guarantor under this Article will not be affected by any act, omission, matter or thing which, but for this Article, would reduce, release or prejudice any of its obligations under this Article (without limitation and whether or not known to it or any other person) including:
 - (i) any time, waiver or consent granted to, or composition with, any person;
 - (ii) the release of any person under the terms of any composition or arrangement;
 - (iii) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any person; or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
 - (iv) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any person;
 - (v) any amendment (however fundamental) or replacement of any Financial Assistance Facility Agreement, Financial Assistance or any document or security;
 - (vi) any unenforceability, illegality or invalidity of any obligation of any person under any document or security; or
 - (vii) any insolvency or similar proceedings.

8. CALCULATIONS AND ADJUSTMENT OF THE GUARANTEES

- (1) The Parties agree that EFSF may appoint EIB (or such other agency, institution, EU institution or financial institution as is approved unanimously by the Guarantors) with the task of making the calculations for the purposes of this Agreement, each Financial Assistance Facility Agreement, the financing of EFSF by issuing or entering into Funding Instruments (or otherwise) and the Guarantees. If EIB (or such other agency, institution, EU institution or financial institution) accepts such appointment, it shall calculate the interest rate for each Financial Assistance in accordance with the terms of the relevant Financial Assistance Facility Agreement, calculate the amounts payable on each interest payment date and notify the relevant Beneficiary Member State and EFSF thereof and make all such other calculations and notifications as are necessary for the purposes of this Agreement, the Guarantees and the Funding Instruments.
- (2) In the event that a Guarantor experiences severe financial difficulties and requests a stability support loan or benefits from financial support under a similar programme, it (the "**Stepping-Out Guarantor**") may request the other Guarantors to suspend its commitment to provide further Guarantees under this Agreement. The remaining Guarantors, acting unanimously and meeting via the Eurogroup Working Group may decide to accept such a request and in this event, the Stepping-Out Guarantor shall not be required to issue its Guarantee or incur any new liabilities as Guarantor in respect of any further issues of or entry into Funding Instruments by EFSF and any further Guarantees to be issued under this Agreement or any new liabilities to be incurred as Guarantor shall be issued and/or incurred by the remaining Guarantors and the Adjusted Contribution Key Percentage for the issuance of further Guarantees or incurrence of any new liabilities as Guarantor shall be adjusted accordingly. Such adjustments shall not affect the liability of the Stepping-Out Guarantor under existing Guarantees. It is acknowledged and agreed that the Hellenic Republic is deemed to be a Stepping-Out Guarantor with effect from the entry into force of this Agreement, Ireland became a Stepping-Out Guarantor with effect from 3 December 2010 and Portugal, with effect from 16 May 2011.

9. BREACH OF OBLIGATIONS UNDER A FINANCIAL ASSISTANCE FACILITY AGREEMENT AND AMENDMENTS AND/OR WAIVERS

- (1) If EFSF becomes aware of a breach of an obligation under a Financial Assistance Facility Agreement, it shall promptly inform the Guarantors (through the Eurogroup Working Group Chairman), the Commission and the ECB about this situation and shall propose how to react to it. The Euro Working Group Chairman will coordinate the position of the Guarantors and will inform EFSF, the Commission and the ECB of the decision taken. EFSF will thereafter implement the decision in accordance with the relevant Financial Assistance Facility Agreement.

- (2) If EFSF becomes aware of a situation where amendments, a restructuring and/or waivers relating to any Financial Assistance made under a Financial Assistance Facility Agreement may become necessary, it shall inform the Guarantors through the Eurogroup Working Group Chairman, the Commission and the ECB about this situation and shall propose how to react to it. The Eurogroup Working Group Chairman will coordinate the position of the Guarantors and will inform EFSF, the Commission and the ECB of the decision taken. EFSF will thereafter implement the decision and, following instructions of the Guarantors, negotiate and sign a corresponding amendment, a restructuring or waiver or a new loan agreement with the relevant Beneficiary Member State or any other arrangement needed.
- (3) In other cases than those referred to in Article 9(1) and 9(2), if EFSF becomes aware of a situation where there is a need for the Guarantors to express an opinion or take an action in relation to a Financial Assistance Facility Agreement, it shall inform the Guarantors through the Eurogroup Working Group Chairman about this situation, and shall propose how to react to it. The Eurogroup Working Group Chairman will coordinate the position of the Guarantors and will inform EFSF, the Commission and the ECB of the decision taken. EFSF will thereafter implement the decision taken in whichever form is needed.
- (4) In the event that the euro-area Member States consent to the modification of any MoU entered into with a Beneficiary Member State, the Commission shall be authorised to sign the amendment(s) to such MoU on behalf of the euro-area Member States.

10. EFSF, INTER-GUARANTOR DECISIONS, DIRECTORS AND GOVERNANCE

- (1) EFSF shall have a board of directors consisting of as many directors as there are EFSF Shareholders. Each EFSF Shareholder shall be entitled to propose for nomination one person to act as a director of EFSF and the other EFSF Shareholders hereby irrevocably undertake that they shall use their votes as shareholders of EFSF in the relevant general meetings to approve as a director the person proposed by such euro-area Member State. They shall equally use their votes as EFSF Shareholders to remove a person as director of EFSF if this is so requested by the euro-area Member State which proposed such director for nomination.
- (2) Each EFSF Shareholder shall propose for nomination to the board of directors of EFSF its representative in the Eurogroup Working Group from time to time (or such person's alternate as representative on such group). The Commission and ECB shall each be entitled to appoint an observer who may take part in the meetings of the board of directors and may present its observations, without however having the power to vote. The board of directors may permit other institutions of the European Union to appoint such observers.

- (3) In the event of a vacancy of a member of the board of directors each euro-area Member State shall ensure that the member of the Board nominated upon its proposal approves as a replacement director the person proposed for nomination by the relevant euro-area Member State which does not have a director nominated upon its proposal.
- (4) The euro-area Member States acknowledge and agree that, in the event of a vote of the board of directors of EFSF, each director which has been proposed for nomination by a euro-area Member State shall have a weighted number of the total number of votes which corresponds to the number of shares which his/her nominating euro-area Member State holds in the issued share capital of EFSF.
- (5) The Guarantors agree that the following matters affecting their roles and liabilities as Guarantors shall require to be approved by them on a unanimous basis:
 - (a) decisions in relation to the grant of a Financial Assistance Facility Agreement to a euro-area Member State including the approval of the relevant MoU and Financial Assistance Facility Agreement, any decisions to change the pricing structure applicable to Financial Assistance Facility Agreements, and any decisions to include in a Financial Assistance Facility Agreement the faculty of providing Financial Assistance by way of the purchase of bonds in the primary markets or the purchase of bonds in the secondary markets based on an ECB analysis recognising the existence of exceptional financial market circumstances and risk to financial stability;
 - (b) decisions regarding the disbursement of Financial Assistance under an existing Financial Assistance Facility Agreement in particular as to whether conditionality criteria for a disbursement are satisfied. For secondary market purchases, the Financial Assistance Facility Agreement for the purchase of bonds in the secondary market adopted on the basis of Article 10(5)(a) may provide for alternative procedures for the technical implementation of individual bond purchases under such Financial Assistance Facility Agreement, in line with guidelines referred to in Article 2(1)(b);
 - (c) any modification to this Agreement including as to the availability period to grant Financial Assistance Facility Agreements;
 - (d) any modification to the following terms of any Financial Assistance Facility Agreement: aggregate principal amount of a Financial Assistance Facility Agreement, availability period, repayment profile or interest rate of any outstanding Financial Assistance;
 - (e) the terms of the EFSF Programme, the programme size and the approval of any Offering Materials;
 - (f) any decision to permit an existing Guarantor to cease to issue further guarantees;

- (g) significant changes to the credit enhancement structure;
- (h) the funding strategy of each EFSF Programme and any decision to permit a Diversified Funding Strategy (including the manner in which EFSF allocates its operating costs and the funding costs of Funding Instruments to Financial Assistance and Financial Assistance Facility Agreements if a Diversified Funding Strategy is adopted);
- (i) any increase in the aggregate amount of Guarantees which might be issued under this Agreement;
- (j) any transfer of rights, obligations and/or liabilities of EFSF to ESM pursuant to Article 13(10); and
- (k) the adoption and the amendment of any guideline referred to in Article 2(1)(b) or 2(1)(c) .

For the purpose of this Article 10(5) and any other provision of this Agreement which requires a unanimous decision of the Guarantors, unanimity means a positive or negative vote of all those Guarantors which are present and participate (by voting positively or negatively) in the relevant decision (ignoring any abstentions or absences) provided that any Guarantor which is no longer issuing new Guarantees (in particular, the Stepping-Out Guarantors) shall not be entitled to vote on any decision to make a new Financial Assistance Facility Agreement, a new Financial Assistance or a new issuance of Funding Instruments which are not guaranteed by it provided that it shall continue to have the right to vote on decisions in relation to Financial Assistance or Funding Instruments in respect of which it has issued a Guarantee which remains outstanding. It is a condition precedent to the validity of any such vote that a quorum of a majority of Guarantors able to vote whose Guarantee Commitments represent no less than 2/3 of the Total Guaranteed Commitments are present at the meeting.

- (6) The Guarantors agree that all matters which are not reserved to unanimity decision of the Guarantors pursuant to Article 10(5) (above) or unanimity decision of the euro-area Member States pursuant to Article 10(7) (below) and, in particular, the following matters affecting their roles and liabilities as Guarantors shall be decided by a majority of Guarantors (excluding however the Stepping-Out Guarantors) (i) whose Guarantee Commitments represent 2/3 of the Total Guarantee Commitments (in the event that no Guarantees have been issued) or (ii) if Guarantees have been issued, 2/3 of the aggregate maximum face amount of Guarantees which have been issued and remain outstanding provided that, in calculating the satisfaction of this threshold the face amount of Guarantees of a Guarantor which is a Stepped-Out Obligor or which has failed to pay under a Guarantee shall not be taken into account (a "**2/3 Majority**"):
 - (a) all decisions in relation to existing Financial Assistance Facility Agreements or Financial Assistance which are not specifically reserved to unanimity pursuant to Article 10(5) including decisions on breaches, waivers,

restructurings and whether to declare defaults in relation to Financial Assistance Facility Agreements or Financial Assistance;

- (b) issuances under an existing EFSF Programme (which programme has been approved unanimously by the Guarantors);
- (c) operational matters in relation to debt issuance (including appointment of arrangers, lead managers, rating agents, trustees etc);
- (d) detailed implementation of an approved Diversified Funding Strategy; and
- (e) detailed implementation of any additional credit enhancement approved pursuant to Article 10(5).

The proviso to Article 10(5) relating to euro-area Member States which no longer issue new Guarantees and/or are Stepping-Out Guarantors shall apply to votes on decisions within the scope of this Article 10(6).

- (7) The following corporate matters in relation to EFSF shall require the unanimous decision of all euro-area Member States:
 - increases in authorized and/or issued and paid-up share capital;
 - increase in the level of commitments to subscribe for share capital;
 - reductions in share capital;
 - dividends;
 - employment of the CEO of the EFSF;
 - approving accounts;
 - prolonging duration of company;
 - liquidation;
 - changes to the Articles of Association;
 - any other matter not specifically dealt with in the Articles of Association or in this Agreement.
- (8) The Guarantors or the euro-area Member States (as the case may be) shall take the decisions affecting the Guarantors and EFSF contemplated by Articles 10(5), (6) and (7) at meetings within the framework of the Eurogroup with the possibility to delegate the decision-making to the Eurogroup Working Group. All their decisions shall be communicated in writing by the Eurogroup Working Group Chairman to EFSF. For such decision-making, the Commission provides input on matters relating, in particular, to the MoU and the terms and conditions of the Financial Assistance Facility Agreements and

other policy issues. The EFSF shall provide input relating, in particular, to the implementation of the Financial Assistance Facility Agreements, the issue of or entry into Financial Instruments and its general corporate matters.

- (9) Each euro-area Member State hereby undertakes to the other euro-area Member States that it shall vote as shareholder of EFSF consistently with the decisions taken by the requisite majority of Guarantors or euro-area Member States (as the case may be) within the framework of such Eurogroup meetings and that it shall ensure that the director which has been proposed for nomination to the board of EFSF by it acts consistently with such decisions.
- (10) Any decisions by the euro-area Member States to approve any MoU relating to a Financial Assistance Facility Agreement and Beneficiary Member State and regarding any proposed modification to an MoU shall be taken by them acting unanimously.
- (11) Euro-area Member States may, to the extent permissible under their national laws, provide indemnities to the persons proposed by them to be nominated as directors of EFSF.
- (12) In the event that euro-area Member States agree unanimously to increase the issued paid-up capital of EFSF, each euro-area Member State shall subscribe and pay in full a percentage of such increase in paid up capital equal to its Contribution Key percentage of such increase in paid-up capital on or prior to the date specified by EFSF.
- (13) Matters referred to decisions by euro-area Member State or Guarantors under this Agreement shall be decided as soon as reasonably practicable and necessary. In due course, operational guidelines may be adopted which may set out timelines for decisions to be taken in relation to this Agreement.

11. TERM AND LIQUIDATION OF EFSF

- (1) This Agreement shall remain in full force and effect so long as there are amounts outstanding under any Financial Assistance Facility Agreements or Funding Instruments issued by EFSF under an EFSF Programme or under any reimbursement amounts due to Guarantors.
- (2) The euro-area Member States undertake that they shall liquidate EFSF in accordance with its Articles of Association on the earliest date after 30 June 2013 on which there are no longer Financial Assistance outstanding to a euro-area Member State and all Funding Instruments issued by EFSF and any reimbursement amounts due to Guarantors have been repaid in full.
- (3) In the event that there are any residual liabilities of EFSF on its liquidation the euro-area Member States shall in a final meeting of shareholders decide on what basis these may be divided between the euro-area Member States.

- (4) In the event there is a surplus on liquidation of EFSF it shall be distributed to its shareholders on a *pro rata* basis calculated by reference to their participation in the share capital of EFSF.

Prior to the determination of whether there is such a surplus:

- (a) the credit balance of the Cash Reserve shall be paid to the Guarantors as described in Article 2(10); and
- (b) any operating profit or surplus derived by EFSF which results from its issuance of Funding Instruments guaranteed by the Guarantors shall be paid as additional remuneration to the Guarantors by reference to their respective Adjusted Contribution Key Percentage.

12. APPOINTMENT OF EIB, ECB, OUTSOURCING AND DELEGATION

- (1) EFSF may appoint EIB (or such other agencies, institution, EU institution, financial institution or other persons as is approved unanimously by the euro-area Member States) for the purpose of:
 - (a) managing the receipt of funds from investors following the issue of bonds or securities under an EFSF Programme, the management of the transmission of these funds to Beneficiary Member States in the form of Financial Assistance and the receipt of funds from Beneficiary Member States and the application of such funds to meet scheduled payments of principal and interest under the bonds and debt securities and, following the making of payments under a Guarantee, the management of funds received from Beneficiary Member States and the distribution of reimbursement amounts to the Guarantors;

- (3) EFSF shall, in the event of the adoption of a Diversified Funding Strategy and subject to the unanimous approval of the Guarantors (other than Stepping-Out Guarantors), be entitled to and may delegate asset and liability management functions and the other activities and functions described in Article 4(6) to one or more debt management agencies of a euro-area Member State or such other agencies, institutions, EU institutions or financial institutions as are approved unanimously by the Guarantors.
- (4) EFSF shall be entitled to delegate and/or outsource on arm's length commercial terms to any agency, institution, EU institution, financial institution or other persons such other functions as its board of directors consider desirable for the efficient discharge of its functions.

13. ADMINISTRATIVE PROVISIONS

- (2) Upon the incorporation of EFSF it shall assume full responsibility for all costs and expenses incurred in its setting-up and incorporation. In addition, it shall assume all liabilities and obligations (including indemnity obligations) under contracts and arrangements entered into on its behalf and for its benefit (whether by a shareholder or a third party) prior to its incorporation.
- (3) EFSF shall report to the euro-area Member States and the Commission on the outstanding claims and liabilities under the Financial Assistance Facility Agreements, EFSF Funding Instrument issues and the Guarantees on a quarterly basis.

Such restriction does not apply to (i) the initial transfer by the sole founding shareholder (if any) to the other euro-area Member States and (ii) proportionate transfers by each EFSF Shareholder to any new euro-area

Any shares which are not purchased by a shareholder to whom they are offered may be offered to and acquired by any other EFSF Shareholder. If no EFSF Shareholder wishes to purchase such shares then, to the extent it has funds available for this purpose, EFSF may acquire such shares at their fair market value.

The Parties shall negotiate in good faith as to the basis upon which such new adhering euro-area Member State shall accede to this Agreement.
- (8) In the event that one euro-area Member State incorporates EFSF, it shall promptly upon execution and entry into force of this Agreement transfer shares to the other euro-area Member States such that their respective percentage holdings of shares in EFSF corresponds with their respective Contribution Keys.
